During the summer months our patio area located outside Rakinui Lounge is the perfect space for your delegates to enjoy drinks, nibbles or a meal with their colleagues while taking in the stunning views of Lake Tekapo and Mount John.

During your conference we offer a variety of lunches and delectable dinner cuisine sure to impress, and if you have an awards night or gala dinner in mind, our a la carte menu served in the privacy of our conference room will make for a memorable evening.

Activities & team building

Choose from a range of team building days or create the team day that's right for your group.

Team adventures include off site events including abseiling, rafting, the leap of faith and the giant swing. Any of these activities are an ideal way to kick start your conference especially if you are travelling in convoy to Lake Tekapo. We offer on site events as well which can be anything from the board break to a mini Olympics or Great Tekapo Race for your team members at the resort itself or in and around Lake Tekapo township.

If you want to challenge your team, address an issue, or simply heighten morale and motivation, choose an activity based workshop like: Team Work, Personal Leadership, State Management, Confidence and Self belief, Morale and Motivation and Performance, productivity and Results.
