PEPPERS

A bride and groom are standing in the doorway of a building named 'PEPPERS'. The bride is wearing a white wedding dress and a long veil, and the groom is wearing a dark suit. They are facing each other and holding hands. The building has a large, dark, triangular gable above the entrance. The entrance is framed by two stone pillars and a dark canopy. The word 'PEPPERS' is written in white capital letters on a black background above the doorway. The scene is lit with warm, ambient lighting, suggesting an evening or night setting.
